

The National Silver Alert Program

also offers the following levels of peace of mind and security that will assist in the safe recovery of a lost individual or speak for you when you cannot.

National Silver Alert Emergency Responder Package

National Silver Alert Bracelet and Pendant

National Silver Alert GPS Tracker powered by

National Silver Alert ID Recovery Plan

Do You or a Loved One

Have Alzheimer's, Dementia or other cognitive disorders?

Have a serious medical condition that requires medication?

Have special needs?

Have Autism?

Live alone?

If you answered YES to any of these questions, you and/or your loved one are qualified to enroll in the FREE National Silver Alert Online Registration Program.

The program records vital health, personal, medical and caregiver information as well as a photograph of each registered individual.

This information will only be shared with emergency responders and medical facilities in the event of an emergency via the National Silver Alert call center's 24/7, toll-free emergency phone number.

**Don't wait until it is too late,

National SILVER ALERT® Program

...because time is of the essence

A Free, National, Online Registration Program

for All Senior Citizens
and Individuals with
Alzheimer's Disease and Other
Cognitive Disorders

THE NATIONAL SILVER ALERT PROGRAM

- Is a **FREE, national, online registration program.**
- **Can speak for you when you cannot.**
- **Is open to ALL Senior Citizens and individuals with Alzheimer's disease or other cognitive disorders, regardless of age.**
- **Provides a safe and secure place to store vital personal, medical, health and caregiver information which will be easily accessible in the event of an emergency.**

Time is of the essence when individuals with Alzheimer's or other cognitive disorders wander off or become lost. The National Silver Alert Program was developed to provide vital information to authorities to assist in the search and safe recovery of these individuals and quickly reunite them with their loved ones.

Benefits of Registering in the Free National Silver Alert Program

Ability to Record:

- Color photograph
- Vital personal information
- Vital health information
- Vital medical information
- Vehicle information
- Caregiver information

Members can also include:

- Multiple physicians
- Multiple emergency contacts
- Multiple vehicles
- Medications
- Surgical procedures
- Conditions
- Allergies
- Living Will

All information is stored in a secure, (SSL encryption), online database, and is only shared with emergency responders and medical facilities in the event of an emergency via the National Silver Alert call center's 24/7, toll-free emergency phone number.

The information will provide emergency responders with a baseline from which to begin treatment, as well as the ability to contact personal physicians and loved ones in the event of a wandering incident or a medical emergency.
